VINEYARD

## { NOTE FROM THE FIRESTONE TEAM }

Greetings from Firestone! Spring is finally in the air at the winery. With all the much-needed rain that came our way, we are thrilled to welcome back the sunshine and warm weather. Bud break is beginning in the vineyards, which is one of our favorite sites to see! Currently, in the cellar, we are sur-lie stirring, blending, and racking wine to barrels in anticipation of the upcoming bottling season.

The first wine in your shipment is our **2022 Rosé**. The grapes for this wine come from our estate in Santa Ynez Valley and is a blend of our favorite Bordeaux varietals – Petit Verdot, Malbec, Merlot, plus a little Syrah. This is a lively wine with bright acidity and smooth body that pairs perfectly with tomato sauce pasta dishes, pesto, or Cioppino.

Then we have our **2020 The Chairman Series Cabernet Sauvignon**. Hailing from our best Cabernet Sauvignon block on the estate, this hillside vineyard is situated at 1,000 feet and is comprised of rocky, sandy, alluvial soil on the edge of a plateau; ideal soil for growing our Cabernet Sauvignon because of its permeable qualities. This wine pairs well with prime or short rib, roast beef, venison or pasta dishes with dark meat-based sauces.

Now is the perfect time to visit the winery, so if you plan on being in the Los Olivos area, we hope you'll visit us. We are offering a new wine tasting flight that includes selections from the Foley Food & Wine Society portfolio, in addition to your Firestone favorites – [The Connoisseur Club Flight](#). Then, join us on select Saturdays and Sundays for music in the barrel room or our courtyard, depending on the weather. We hope to see you soon, thank you for your support of Firestone, and we wish you a very happy spring.

Cheers,

The Firestone Team
