

FROM THE WINEMAKER

Greetings from Walla Walla,

We had a beautiful 2023 harvest. The fall weather was incredible and so was the fruit quality. The wine is now aging gracefully in elegant French oak barrels. As we are preparing for the holiday season it is an optimal time for us to say “thank you” to all of you for your support. We continue to craft expressive wines from our favorite vineyards.

Our white wine selection for our winter shipment is from Artz Vineyard located on Red Mountain. The 2022 Sauvignon Blanc-Semillon blend would be a great addition to any holiday get together. I’m looking forward to Andy making some seared scallops to pair with this tasty wine.

For our red wine selections this season, we are featuring two complex varietals: Syrah and Cabernet Sauvignon. Our 2021 Walla Walla Valley Syrah is a blend of two very different growing regions within the valley. 63% is from the deep loess soils at Les Collines Vineyard while the balance is from the extremely rocky landscape of Ancient Stones Vineyard located in The Rocks District of Milton-Freewater. Deep dark fruit from the foothills of the Blue Mountains and wild minerality from The Rocks—the best of both worlds. Our 2021 Red Mountain Cabernet Sauvignon was sourced from some great vineyards including Heart of the Hill, Artz and Aquilini. Red Mountain produces some of the best Cabernet Sauvignon in Washington and this wine is a great example. Try braised short ribs to complement this young and bold Cabernet.

As always, these wines pair best with friends.

Cheers,
Holly Turner

2022 ARTZ VINEYARD SAUVIGNON BLANC-SEMILLON

We are excited to showcase this classic blend of Sauvignon Blanc and Semillon. Sauvignon Blanc brings brightness to the aromatics and finish while Semillon supplies weight to the palate. Complex aromas of Asian pear and lemon custard with citrus and honey flavors give way to a velvety finish.

VARIETAL BLEND 67% Sauvignon Blanc, 33% Semillon
AGING 6 months in 20% new French oak barrels

2021 RED MOUNTAIN CABERNET SAUVIGNON

Our 2021 Red Mountain Cabernet Sauvignon displays layers of dense black fruit. Dark fruit flavors with a touch of cocoa lead to lingering flavors of chocolate covered cherries and a lip-smacking finish. Truly a terroir driven wine with dusty, refined tannins, this beast is big and brawny, yet beautifully balanced.

VARIETAL BLEND 95% Cabernet Sauvignon, 5% Petit Verdot
AGING 15 months in 67% new French oak barrels

2021 WALLA WALLA VALLEY SYRAH

Our 2021 Walla Walla Valley Syrah is rustic and juicy. This wine opens with aromatics of crushed blackberries with a hint of warm baking spices. This is a medium-bodied syrah with concentrated mouth-filling flavors of ripe red fruit and g that leads to a lingering finish.

VARIETAL BLEND 100% Syrah
AGING 15 months in 75% new French oak barrels
